

WALL FAN

New DC Technology Motor **450mm**

- Energy efficient brushless DC motor technology
- Uses up to 70% less power than traditional AC equivalents
- Unique 18 blade design for powerful air delivery and lower noise levels
- Tilt adjustable head with oscillating swing feature
- 6 Speed remote control with timer option
- Able to pair multiple fans to one remote control

REMOTE INCLUDED

New DC technology motor designed for larger air movement, low noise, greater energy efficiency and longer motor life

Energy efficient 4 - 75 watt usage

18 Blades for low noise and wide air distribution

6 speed settings

9 hour timer setting

Auto restart function for when power supply is unexpectedly switched off and on again
